

Solidlock[®]

Fixed Knot

Are you looking for an agricultural fence that's strong, virtually maintenance free, and comes in sizes suited for practically all animals and applications?

Look no further than Solidlock.

Our fixed knot design combined with high tensile wire makes Solidlock the strongest woven wire fence you can buy. This design locks the line wire and stay wire together, giving you the strength you require. Plus Solidlock's use of high tensile wire and solid vertical stays means next to no maintenance. You can spend less time worrying about your fence - whether you want to keep animals in or out.

There's a Solidlock fence option to fit virtually any application you require. Our fence is available in varieties ranging from 42 inches to 120 inches tall. We have larger staggered openings or smaller 3 x 3 inch openings for horse applications.

Solidlock fence is available in Class 3 (heavy coat) galvanized for long life. You can also get Solidlock with Bezinol + Paint advanced coating. Choose either a black or green finish and enjoy the benefits of a product that will last four to six times longer than a standard Class 1 fence.
