GARDEN BORDER FENCE

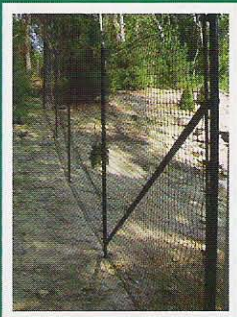

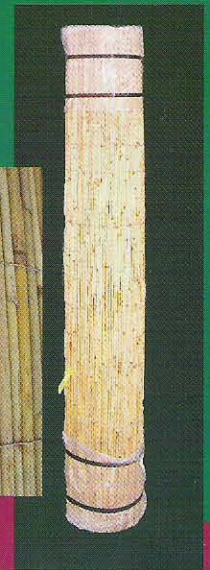

Provides a decorative and functional border for lawns, flowerbeds or around trees.

- Hand-crafted, made of cedar.
- Lattice is 3 dimensional.
- Makes a decorative addition to your garden or backyard.
- Adds a finishing touch to any lawn or garden.
- Easy to install. No tools required.
- A variety of styles are available to blend in with any landscape style.
- Separate planting areas from lawn.
- Beautiful landscape accent.
- Useful applications.
- 6" height (custom sizes available) combined with 3D Cedar design results in a unique product.
- Reasonably priced to provide high margins

BAMBOO REED FENCE

This very versatile product is excellent for both indoor or outdoor use:

- Install over existing fences or posts.
- Use for shade over a framed patio, instead of thatch.
- Can be stapled to plywood.
- Great for tiki bars and huts.
- Cover ceilings or walls for a tropical look indoors.
- Woven every 4" with galvanized wire, for durability.
- Pencil sized reeds.
- Available 6' high x 15' or 25' rolls.

DEER FENCE
