SOLIDLOCK
High Tensile Fence
FIXED-KNOT

Solidlock's unique fixed-knot system cannot be penetrated!

SOLIDLOCK fencing is designed specifically for wildlife. Here is the ultimate in fencing for all animals, large or small, wild or domestic. SOLIDLOCK, a North American product, gives excellent control for animal containment, exclusion and protection from predators.

SOLIDLOCK high tensile fencing is the best of its kind. Exceeding Class 3 galvanization assures **three times** the life over conventional farm fencing. The combination of high tensile wire (which provides **four times** the strength of conventional 12-1/2 Ga. wire) and solid vertical stays allows fence installation **using 25' post centers**. Available in 330' rolls, and up to a full 8' in height, SOLIDLOCK significantly reduces installation costs.

The unique SOLIDLOCK knot, which locks vertical and horizontal wires together, won't allow animals to penetrate. The deep crimp in the horizontal wire maintains fence tension and allows the fence to follow rough terrain.

ORDER NOMENCLATURE
The first two numbers indicate the number of horizontal wires, while the second two numbers indicate the height of the fence. The last number is the distance between vertical stays. Example: 20/96/12 is a roll with 20 horizontal wires, is 96" high, with vertical stays 12" apart.

Solidlock®

**FOR ALL YOUR FENCING NEEDS!**

Fixed Knot

Are you looking for an agricultural fence that's strong, virtually maintenance free, and comes in sizes suited for practically all animals and applications?

Look no further than Solidlock.

Our fixed knot design combined with high tensile wire makes Solidlock the strongest woven wire fence you can buy. This design locks the line wire and stay wire together, giving you the strength you require. Plus Solidlock's use of high tensile wire and solid vertical stays means next to no maintenance. You can spend less time worrying about your fence - whether you want to keep animals in or out.

There's a Solidlock fence option to fit virtually any application you require. Our fence is available in varieties ranging from 42 inches to 120 inches tall. We have larger staggered openings or smaller 3 x 3 inch openings for horse applications.

Solidlock fence is available in Class 3 (heavy coat) galvanized for long life. You can also get Solidlock with Bezinal + Paint advanced coating. Choose either a black or green finish and enjoy the benefits of a product that will last four to six times longer than a standard Class 1 fence.
