SOLARGUARD®

Color that Lasts

Every fence we make is infused with our exclusive color retention technology, which helps protect it from the harmful rays of the sun.

GLIDELOCK®

Privacy & Strength

Our GlideLock® design makes sure each board locks tightly into place without any gaps providing you the seclusion and privacy you want for your yard.

CORIGIN®

Corigin®

An innovative construction system that connects the pickets and rails from the inside out producing a longer lasting, stronger and better looking fence.

CAMBIUM®

Natural Beauty

Our Cambium® technology gives you all the natural looking beauty of real wood, without the need for continued upkeep and maintenance.

STAYSTRAIGHT™

Perfectly Balanced

StayStraight™ technology is the exclusively engineered ActiveYards rail system designed to prevent substantial long term bowing or sagging.

Fencing solutions for life®

Silverbell Scallop

Why ActiveYards®

We are the leading American manufacturer of low maintenance, lifetime warranted fencing systems. We believe there is no reason to sacrifice performance, beauty and style for function or price.

Solutions

It all starts with providing you a solution for your fencing need or desire. This is exactly where you will start your shopping process with ActiveYards; by selecting a solution among our Privacy, Protection, Pool or Decorative options.

3^{ways} Shop - Select - Install

We offer the freedom of choice from how you can shop for your fencing solution to the actual installation. After you choose the style that best serves your need, we provide a series of quality grades and designs to select from. And finally, you decide which installation option best suits your project and budget.

Fencing solutions for life

Whatever you decide, we will help you every step of the way. The result of the choices you make will provide you with YOUR "fencing solution for life"!

Solutions

ActiveYards® is here to help! Whatever problem you're trying to solve, we have an entire solution for you and a fence to match. Whether you are seeking privacy for or from your environment, seeking protection for your prized possessions, completing the final touch around your pool, or you're just looking to add decorative curb appeal to enhance the value of your home, ActiveYards has your solution.

Privacy

If seclusion is what you're after, choose from a variety of ActiveYards styles to transform your yard into a personal sanctuary. Your private outdoor sanctuary should be just that: private. Our privacy fences go together easily, locking tightly into place without any gaps. From a basic "wall" to a decorative statement from our portfolio of styles and colors, ActiveYards has it all.

Pools

Pools are for relaxation, not worry. ActiveYards fencing systems meet the most stringent pool safety codes. We want to keep you and your family safe and still stylish. Pool safety is a must, and safety can be synonymous with style when it comes to ActiveYards' pool code approved fences.

Protection

Your peace of mind is uppermost in our mind. With ActiveYards products you can keep what's important in and what's unwanted out. Several of our fences provide a beautiful and durable, yet cost-effective solution for your home and yard. ActiveYards is committed to providing fencing solutions that make you feel safe and secure.

Decorative

The perfect fence does more than protect – it enhances too. ActiveYards' wide selection of styles and colors increase curb appeal and add years of value to your home, creating a look that is distinctly yours.

AYtip Here are a few factors to consider when choosing your fence style, color and size:

Type of environment?

- Weather
- Terrain
- Exterior House Color

Safety concerns?

Shop Online

If you find it most convenient to shop online, simply visit www.activeyards.com and follow the easy steps to purchasing your ActiveYards system, and feel free to call us or e-mail with any questions you have along the way.

Visit your Local ActiveYards Showroom

If you want to see and feel all of your options live, visit your local ActiveYards showroom and work with our knowledgeable, certified pros to help guide you in choosing your fencing system.

At Home Consultation

Finally, you can choose the traditional route where we come to you for a full service at home consultation, in which we will measure, suggest and guide you through the solution process in the comfort of your own home.

ActiveYards certified pros have been individually qualified based on their reputation, longevity and experience in the fencing industry.

At ActiveYards, we are committed to making your shopping experience as simple and hassle-free as possible, from beginning to end.

Tupelo

Exclusively **AY**: Harmony Series

Personalize the look of your fence on certain styles by interchanging the color of boards or pickets and rails, creating a unique, decorative look that is distinctly your own. Our Harmony program consists of two popular fence styles and three popular fence colors. By varying the different colors on the same panel or adding decorative accents, you can create a fence that is 100% unique to you.

Dogwood

Exclusively **AY**: Fusion Series

Personalize and customize the board style and color of your fence with the Fusion Series. Its unique design allows you to construct your fence boards horizontally or vertically within a sturdy aluminum frame, giving you greater ability to make our fencing your own.

to Select

Now that you have found the style that best suits your preference and needs, you can choose from three grades for the very same look with slight variances in specifications resulting in price points.

Haven Series

Our Haven Series, your Best option, is the popular choice of the discriminating consumer. These premium designs make a statement and are a true "home improvement."

Home Series

Our Home Series, your Better option, feature some ActiveYards patented ingenuity technologies. In this series you will find our most popular styles and colors for any fencing solution you are looking for.

Harbor Series

Our Harbor Series, your Basic option, is still a considerable step up from settling for fence options that rot or rust.

to Install

ActiveYards® offers three alternatives for you to consider regarding the installation of your ActiveYards fencing system. Choose the option that meets your budget and priorities.

ActiveYards Pro Installation Services

At ActiveYards, we understand that finding the right fence installer for your next project is essential. That's why we've built our business around an exclusive network of authorized dealers.

After locating your nearest authorized dealer, we'll take it from there! We believe your experience should be as simple as possible and we are pleased to offer a full service package. This includes everything from coming to your home to measure your yard and discussing our wide portfolio of fencing products, all the way to providing complete professional installation services. You are also welcome to stop directly into a showroom to browse our extensive offering.

Benefits of a Certified ActiveYards Pro Installer

- All ActiveYards Certified Pros are thoroughly trained and certified to support and service our products.
- Professional installers will handle all planning, preparation, demolition of old fence and clean-up of fencing project.
- Professional installers will know how to install fences to meet wind code, pool code and warranty fulfillments.

EZFence2Go™

If you want to tackle the project yourself, or have your local contractor install it, the EZFence2Go™ system has been designed exclusively with you in mind. Stop in an ActiveYards showroom where you can shop all of our products and receive expert advice on your fencing project.

Do-it-Yourself

ActiveYards has developed a consumer-friendly but professional grade fencing line with the EZFence2Go system. Convenient for the DIYer, the system is packaged in easy to carry kits, along with simple to understand instructions.

Your Contractor

We also know you may want to hire your own contractor or local handyman to install your new ActiveYards fence. You can always stop into one of our showrooms or call our certified pros to purchase just the materials for your project.
