

The world's easiest-to-sell removable fence. . . now comes in 2 high-quality designs!

ORIGINAL BABY-LOC

A convenient, cost-effective way to help deter toddlers from gaining access to a swimming pool, raised deck or dock. Features choice of premium fiberglass or aluminum poles.

ORIGINAL BABY-LOC

easily rolls up for fast storage when not in use.

NEW! BABY-LOC DELUXE

Elegant new designer look, extra-sturdy construction. Easier, quicker installation. Easier still, if customer has a LOOP-LOC Safety Cover, because BABY-LOC DELUXE can utilize the same pre-drilled hole positions.

BABY-LOC DELUXE

folds in sections for fast storage when not in use.

More consumers are asking for BABY-LOC®, the only removable fencing good enough to come from LOOP-LOC – now available in original and new DELUXE models. They're so easy to install and remove. . . and so

easy to sell! You stock nothing – just call us and we'll ship your order within 24 hours! Both original BABY-LOC and BABY-LOC DELUXE meet all ASTM standards and exceed U.S. Consumer Product Guidelines.
