**4" DIAMOND LATTICE**

**2" SQUARE LATTICE**

**2" DIAMOND LATTICE**

## POST & RAIL FENCE

Post & Rail is a classic choice for property delineation when you prefer an open, airy feel. When it ambles alongside a beautiful winding driveway, there are few things more charming. When tapered rails are used to frame a corner garden bed, there's a rugged, yet easy feel. Whichever you prefer, you can't go wrong with the options we provide.
